Kelly Hall Building #401, UTEP  12/12/14 - 2 p.m.

Appendix 1. AGENDA

2:00 p.m.  Opening Remarks / Introduction
Patrick Schaefer
Executive Director, Hunt Institute for Global Competitiveness, UTEP

2:05 p.m.  Presentations
1) Scott Reinert
   Water Resources Manager, El Paso Water Utilities (EPWU)
2) Manuel Herrera
   Technical Director, Junta Municipal de Agua y Saneamiento de Cd. Juárez (JMAS)

2:30 p.m.  Discussion
Moderator: Ana Rodriguez Camargo
Program Manager and Research Assistant, Hunt Institute for Global Competitiveness, UTEP
1) What do you think will be the main future changes in water quantity and quality?
2) How do you see these changes impacting your business/work?
3) How do you see the role of water professionals changing to meet these needs in the future? (Water managers, policymakers, educators, researchers, etc.)
4) What are the trends on water demand and supply in the region?
5) Water is becoming a limiting factor for economic growth in our region factor. How can we continue to grow and compete in the global economy without jeopardizing our water resources?

3:30 p.m.  Conclusions
William Hargrove
Director, Center for Environmental Resource Management, UTEP
