## FOR GLOBAL COMPETITIVENESS

## Speaker Series 2016

The Hunt Institute for Global Competitiveness cordially invites you to attend the speaker series presentation:

*“The Legal and Financial Concerns of Entrepreneurs in Mexico”*

Presented by Victor Aguirre López

5 p.m. Friday, January 29, 2016

at El Paso Museum of Art, Energy Auditorium  
1 Arts Festival Plz, El Paso, TX 79901

Reception to follow presentation at the Isha Roberts Sculpture Gallery  
& optional visit to the museum exhibitions

Victor Aguirre is an experienced finance and technology lawyer, founder of *BlackBox Startup Law* and *Prometeo Legal*, a website that provides free legal documents and advice to Mexican entrepreneurs. His expertise focuses on high-impact entrepreneurship, mergers and acquisitions and corporate finance.

He also actively participated in the negotiations with the government of Mexico City, to permit the legal operation of the UBER ride-sharing service, the first regulation of its kind in Latin America. Victor regularly provides counsel to early-stage startups backed by venture capital funds, such as 500 Startups. He is a native from Mexico City, having graduated from ITAM (Mexico's Autonomous Institute of Technology).

Please **RSVP** to this invitation by **Tuesday, January 26th, 2016**
